## Instructions for Ordering

---

1. Kindly send remittance with your order unless you have established credit with us.

2. Foreign orders will not be recognized unless accompanied by remittance in full, sent preferably by International Money Order.

3. Add 10% of the total value of your order to cover shipping charges. If you prefer we will send the plants express collect.

4. Three plants of a kind may be purchased for the price of two.

5. We do not substitute items. If we cannot fill your order your money is refunded.

6. Address all orders to  
CARL S. ENGLISH, Jr.,  
10505 First Ave. N. W. Seattle, Wash.

---

OUR NATIVE PLANTS are all nursery grown. We have the approval and recommendation of the National Wild Flower Preservation Society. Our plants are all guaranteed to be strong and healthy when they leave us. We cannot, however, guarantee your success in growing them since there are many causes of failure over which we have no control. We are glad to send instructions for planting and care of plants. We make a special effort to keep our nomenclature botanically correct and up to date. Our plants are true to name.
